MESSAGE

FROM THE DESK OF SECRETARY

It is pride to present our annual report of Year 2023-24. We have completed the 21 Years in development field. Our efforts have been contributing to reach our vision and mission of the organization. We touched all sectors including Women Empowerment, Children Education, Health Issues, Natural Resource development, Water Sources, Adolescent Girls' Empowerment, Differently-abled People, Food Security, Livelihood etc. We tried our best to deliver optimum benefits to the poor and needy target population. JSK believes in community participation and involves the community in their work for full community ownership.

This year our main focus was on social security for marginalized workers, FRA & land rights, children education supported by Anganwadi 17 types of utensils in Hazaribag, districts Bishnugarh and Tatijharia blocks under Pradhan Mantri Aspirational district. We supported 188 AWWs (2 BLOCKS). The children as well as parents motivated to send their children in AWW centers. Our efforts were to involve the community participation.

Our next work was on skills development among the women and link with sustainable livelihood activities. We trained the women on sewing and stitching training (Home based work) and involved in income generating activities. This year we have supported more than 350 farmers and provided the technical knowhow by the agriculture expert for increasing the agriculture productivity. It has really helped the farmers to cultivate the cash crops as well as vegetables for earning more profit. Through the government scheme Unnat Gram, JSK supported the village of Mochro in becoming a model village. Initiatives included the installation of street lights, construction of solar-based water systems, deep boring for irrigation purposes, and the construction of 500 PCC roads to improve local living conditions.

JSK Initiated the program "Empowering Rural Tribal Communities," JSK has collaborated with the Azim Premji Foundation (APPI) to strengthening a local democracy approach aimed at enhancing the collaborate access to welfare schemes and rights of tribal communities in the region. This initiative focuses on several key areas, including the Forest Rights Act, social mapping, and the formation of Forest Rights Communities, which are essential for ensuring that tribal populations can access their entitlements and resources effectively.

This year we also supported ultra poor, the women empowerment activity by promotion of SHG groups and linked with bank for credit facilities. They are regularly saving the money in group and taking loan from group as per their need. Some groups also received the loan from banks.

All these programs have been possible due to regular and generous support from donor, community, government agency, CSR, to whom I, on behalf of JSK, extend heartfelt gratitude and Thanks. The hard work, dedication and commitment of project staffs, volunteers and board members are warmly acknowledged.

Thank you very much,

Narendra Kumar Mahto
Secretary

Vision

To establish a self-reliant, exploitation free, healthy and just society; where no one remains hungry, unemployed, illiterate or exploited.

Mission

To organize and empower the under privileged and marginal section of the rural society and take-up developmental activities in a manner that will ensure higher participation of the rural poor and marginalized section in the national main stream of development.

About the organization

JAN SAYHOG KENDRA is a grass root level non-profit and non-politically influenced organization, working in the field of development and mobilization of deprived communities who are struggling for their livelihood in the remote areas of Hazaribag district since 2004. Since then, the organization is working with an approach of integrated development of rural mass and creating awareness in the rural areas. The vision is to establish a self-reliant, exploitation free, healthy and just society; where no one remains hungry, unemployed, illiterate or exploited. JSK believes that the elements of development and the resources required to develop a society lies within the society itself. The need is to identify them, mobilize them and facilitate them with opportunities to prosper. JSK also believes that people's participation, proper utilization of knowledge, skill and experiences of people are never of less importance and value than modern knowledge.

Legal Status

- ☐ Registered under Indian Trust Act, 1882, Regn. No. IV-557/2004-05 Date of registration: - 30.12.2004, Year 2004-05 (Govt. of Jharkhand),

STRATEGY

The organization has adopted to balance the social action, mobilization and sustainable development program in order to ensure a just, educated, egalitarian and non-exploitative society. JSK mobilizes the rural folks and empowers them to promote development as a liberating force aimed at justice, economic growth and self-reliance.

OBJECTIVES

- ☐ To organize the village community and strengthen them in the capability of the group formed.
- ☐ To build up self-independence through employment and decision-making processes among the scattered group members.
- ☐ To promote a sense of belonging among them.
- ☐ To promote standard livelihood along with social, economic and educational upliftment of the backward and marginalized communities.
- ☐ To eradicate illiteracy.
- ☐ To promote saving and credit practices among the backward communities to promote income generating activities.
- ☐ To promote entrepreneurial development among villagers; especially women's group.
- ☐ To promote health and hygienic awareness.
- ☐ To find out ecological crisis and promote sustainable livelihood, awareness about basic social security rights for informal sector workers and importance of forest, land and wildlife.
- ☐ To promote pollution-free and green environment.
- ☐ To promote sustainable agricultural practices.

PRIORITY THEMATIC AREAS OF THE ORGANIZATION:

☐ Livelihood	☐ Child education, Child trafficking and rights to Education
☐ Natural Resource Management	☐ Youths empowerment Including unemployment, control migration and Skill Development
☐ Health and sanitation	☐ Forest Right ACT -2006, Land Right
☐ People with differently able	☐ Domestic violence and women empowerment
☐ Empowering adolescent girls	

ACTIVITIES

A. Oil and Natural Gas Corporation (ONGC)

In collaboration with ONGC, JSK implemented two significant programs aimed at enhancing community resources. The first initiative involved the distribution of Anganwadi utensils to 188 Anganwadi centers in the Bishnugarh block of Hazaribagh. This program was designed to improve the operational capacity of these centers, ensuring that nutritious meals can be prepared efficiently for children and mothers attending these facilities. The second initiative was the distribution of 32 bunk beds at the Bhatia Athletics Academy in PTPS Bokaro District. This effort aimed to provide young athletes with comfortable sleeping arrangements, thereby fostering a conducive environment for rest and recovery, which is essential for their training and overall performance. These initiatives reflect our commitment to enhancing the infrastructure that supports child development and youth empowerment in our communities.

B. GOONJ

GOONJ has been instrumental in supporting JSK through various initiatives that focus on sustainable development and resource management. One of the key activities was the distribution of 10,000 plants, including mango, lemon, guava, and bel (local fruits), to over 150 individuals. This initiative not only promotes agricultural livelihood but also enhances food security in the region. Additionally, GOONJ supported JSK in the Water Resource Management program, which included the renovation of check dams, cleaning of ponds and wells, and the construction of small wells (Dadi) and Boribandh canals/riders in Gomia Block of Bokaro District, Tatijhariya Block, Bishnugarh Block of Hazaribagh District, and Chatra Sadar Block of Chatra District. These efforts were made possible through local contributions known as Sharam-Dan, emphasizing community involvement in resource management. Furthermore, seed sapling plants were distributed with the support of local Self-Help Groups (SHGs), promoting sustainable agricultural practices and enhancing the livelihoods of local farmers.. JSK distributed 30 school bag kits among the students of NPS, Chirubeda of Churchu block.

C. DASRA (Rebuild India Fund)

DASRA has played a vital role in supporting JSK through several impactful programs. One of the most significant initiatives was the Campaign and Rally against Child Marriage in the villages of Gomia, Tatijhariya, Bishnugarh,

and Churchu blocks. This campaign aimed to raise awareness and mobilize community action to prevent child marriage. Additionally, JSK collaborated with DASRA to organize Remedial classes for underprivileged children in classes 1 to 5, helping them catch up with their peers. These classes were conducted in various locations, including under trees, in private homes, and nearby primary schools after formal classes. The celebration of International Women's Day among the Santhal women community in Tatijhariya and Bishnugarh blocks highlighted the importance of gender equality and women's empowerment. Furthermore, JSK conducted life skills training for youth groups in five villages, equipping them with essential skills for personal and professional development. A football tournament was also organized at Jobhi Simra to promote gender equality, with a total of 11 teams participating, including girls' and boys' teams. These initiatives reflect our commitment to fostering a more equitable society and empowering the next generation.

D. Green Sole Foundation

In collaboration with Green Sole Foundation, JSK distributed slippers, bags, and mats for children in 58 schools and 46 Anganwadi Centres across three panchayats in the Gomia block of Bokaro District. This initiative aimed to enhance the educational experience for these children by providing them with essential items that promote comfort and well-being in their learning environment. By ensuring that children have access to basic necessities, we are helping to create a more conducive atmosphere for learning and development.

E. Jiv Daya Foundation (JDF)

Under the Milk Nutrition Support Program supported by JDF, JSK organized daily nutrition support for 120 children (aged 6 months to 5 years) in two villages, Badkitad and Borwakocha, in the Gomia block of Bokaro District. This initiative has significantly contributed to improving the health status of these children, ensuring they receive the necessary nutrition for their growth and development. By focusing on the nutritional needs of young children, we are laying the foundation for healthier futures and reducing the incidence of malnutrition in the community.

F. JSSC, Cooperative Development Limited Ranchi

Through the government scheme Unnat Gram, JSK supported the village of Mochro in becoming a model village. Initiatives included the installation of street lights, construction of solar-based water systems, deep boring for irrigation purposes, and the construction of 500 PCC roads to improve local living conditions. These developments have

greatly enhanced the quality of life for the villagers, making daily activities more manageable and efficient. By investing in infrastructure, we are fostering an environment that supports economic growth and community well-being.

G. Paul Hamlyn Foundation (PHF)

JSK, with support from PHF, focused on strengthening local self-governance (Gramsabha) by organizing workshops, training sessions, and exposure visits. These initiatives empower communities to advocate for their rights effectively. Additionally, we worked with tribal communities in 20 villages of Bishnugarh and Tatijhariya blocks of Hazaribagh District, providing them with Individual Forest Rights (IFR) and Community Forest Rights (CFR) entitlements, thereby enhancing their livelihoods and ensuring their rights are recognized. This work is crucial for fostering a sense of ownership and responsibility among community members regarding their resources and governance.

H. Azim Premji Foundation (APPI)

Through the program "Empowering Rural Tribal Communities," JSK has collaborated with the Azim Premji Foundation (APPI) to implement a multifaceted approach aimed at strengthening local democracy to reach the welfare scheme to the community. This initiative focuses on several key areas, including the Forest Rights Act, social mapping, and the formation of Forest Rights Communities, which are essential for ensuring that tribal populations can access their entitlements and resources effectively. Workshops, training sessions, and exposure visits have been organized to educate community leaders and members about their rights and responsibilities under the Forest Rights Act. Additionally, interactive methods such as Nukad Natak (street plays) and rallies have been employed to engage the community and raise awareness about the importance of forest rights and local governance. These efforts aim to empower tribal communities to advocate for their rights and improve their livelihoods sustainably.

Ambulance Services

The organization is providing Ambulance services to the people of, Mandu -Ramgarh district, Bishnugarh and Tatijhariya in Hazaribag and Gomiya block of Bokaro district. 12 cases from Mandu, 17 cases from Bishnugarh, 22 cases from Tatijhariya and total 25 cases from Gomiya were provided medical van support with taking nominal fees. In case of health emergency, people are not access to any vehicle for the remotest villages of Bokaro and Hazaribagh Districts. As these villages are very remote and surrounded

by forest areas. Private vehicle either avoid going or they demand very huge money. To avoid this situation, during the health emergency, the organization provides ambulance services to the poor and needy villagers. This service is of great assistance to the poor villagers especially at night. Death during pregnancy, antenatal death, and post natal death is very common in Hazaribag. The villagers have no any other option to reach hospital for treatment. Ambulance is catering the need of pregnant women 24*7 to promote the institutional delivery also. Organization is very much thankful to MLA Mandu and MLA Gomiya for support this valuable work.

Domestic Violence and Women Empowerment

During the year organization has formed and strengthened 05Kishori group, 30 women Self HELP Group, in TatiJhariya Block. Sahiya, Anganwadi workers, PRI members, Local police station representatives were sensitized on this social issues. Regular meetings and counseling were done with victims and community as well. Organization is thankful to Srijan foundation Hazaribag for financial and technical support.

We are associated with **SAMMA and SWAYAM NETWORK and ASMITA NETWORK** for the purpose of minimizing the domestic violence and gender discrimination.

Women always play a key role in the family and society in creating livelihood activities. Keeping in view JSK organizes women from poor household to form self-help groups for saving and credit Purposes. In most of villages JSK begins work by promoting poor women's Self Help Groups, which is informal association of 12 to 19 women to work together in a group. Various project teams have formed about 30 new SHGs during the year covering more than 450 members Farm and nonfarm activities have been promoted among the SHG. They trained on vermin compost, organic farming, goat rearing, Pig rearing and poultry farming.

While women in Jharkhand play a major role in livelihood activities such as agriculture, animal husbandry, collection of forest produce and wage labour, and they enjoy certain rights not shared by women in other regions, such as choosing their partners and physical mobility, it is also true that most of these women are either illiterate or have low levels of education. Despite their role in earning their family's living, their position in society is weakened by lack of access to institutions such as the police and the legal system, and the fact that they are unable to claim their rights and find it hard to know which institutions they can contact to address issues such as domestic violence and economic inequality. We are associating the SHG for Other Support Agencies and Bank Linkages Work for Economic Empowerment.
